

## **Chesley Minor Soccer Rule of Two**

### **Purpose**

Player safety is a priority for Chesley Minor Soccer. This policy is designed to protect our players in potentially vulnerable situations by ensuring that more than one adult is present.

### **Policy**

The Rule of Two ensures that there will always be two screened coaches with an athlete in potentially vulnerable situations. This means that any one-on-one interaction between a coach and an athlete must take place within earshot and view of the second coach, except in the case of medical emergencies. If a second screened and/or certified coach is unavailable, a screened volunteer, parent, or other responsible adult may be recruited to meet the requirement.
